CHURCH GROWING

CONGREGATIONALISTS FULL OF ENTHUSIASM UNDER PRESIDENT LEADERSHIP

A spirit of enthusiasm has been growing during the last few weeks in the Congregational church, where under the temporary leadership of Rev. Clyde S. Shepard of Claremont, the church has been looking forward to the coming of the new pastor, Rev. Charles M. Calderwood.

A splendid audience was present both morning and evening yesterday. In the morning special music was rendered by Mr. and Mrs. Albright of Santa Ana, and the Young People's orchestra played at the evening service. This orchestra has just been organized and is a splendid help.

A week ago Rev. Shepard made a plea that all debts be paid before the arrival of the new pastor, and within a few minutes more than enough was pledged to cover all indebtedness. Rev. Shepard's work and sermons have been appreciated and the church has enjoyed rallying to his support.

The new pastor, Rev. Calderwood, expects to arrive next Saturday and preach at both services Sunday, and the church is looking forward to an era of service and usefulness under his leadership.

REPUBLICAN PARADE

DAILY DECORATED AUTOS TRAVERSE PRINCIPAL STREETS. SEN. PILES SPEAKS

More than 70 gaily decorated autos were in the parade of the Harding and Coolidge Republican club Saturday afternoon as it crossed Broadway on the way south on Brand. Many joined the procession at different crossings. The start was made at Lexington Drive and Orange, with a band leading in a large truck bedecked with flags. Officers of the club and other voters to the number of several hundred occupied other trucks and many autos, all of which bore some kind of decorations, either flags or banners. After traversing several of the principal streets of the city, to the sound of cheers and the honking of auto horns, the parade ended at Broadway and Orange, where Hon. Samuel Piles, ex-Senator from Washington state, appeared on a platform arranged in a big truck, and, after an introduction by W. E. Evans, delivered a stirring address on national and state issues. He dwelt upon the danger to the constitution in adopting the Wilson League of Nations, then made an eloquent plea for the election of Samuel Shortridge, U. S. Senator, to succeed James D. Phelan, both as an advocate of a consistent tariff on California products and of a Japanese exclusion measure. Mr. Piles was listened to very attentively and heartily applauded.

CAMPAIGN LUNCH

HARTLEY SHAW, CANDIDATE FOR SUPERIOR JUDGE, HONORED BY ATTORNEYS

Hartley Shaw, candidate for judge of the Superior Court at tomorrow's election, was the guest of honor at a luncheon at the Jonathan Club on Saturday.

The pleasant affair was enjoyed by fifty leading members of the bar, and the hosts were members of the volunteer attorney's committee sponsoring Mr. Shaw's campaign.

Judge Bordwell was toastmaster, and toasts were offered by W. B. Matthews, special council for the public service department of the city, Judge Hewitt of the Superior Court, Herbert J. Goudge, John D. Fredericks, M. T. Owens, John W. Kemp. Most of the speakers and many of the committee members who were hosts of the occasion have been associated with Mr. Shaw in his former work as Assistant City Attorney of Los Angeles or as chief deputy of the District Attorney's office in charge of the civil department of the county's law business.

Other guests of honor at the luncheon were Justice Lucien Shaw, father of the honor guest, and Lucien Shaw II, Hartley Shaw's eleven-year-old son.

YOUNG PEOPLE MEET

CONVENTION HELD SATURDAY AT SEVENTH-DAY ADVENTIST CHURCH

A young people's convention drew a large and interested audience at the Seventh-day Adventist church Saturday afternoon. Speakers from the rostrum were A. E. Lickey, young people's secretary for the Southern California conference, who also acted as chairman; E. C. Silsbee, who is soon to sail for Africa; R. W. Munson, I. A. Ford and J. D. Baker, young people's leader of the local church. Representatives from the churches in Los Angeles were also present and took a part in the discussions of young people's work. An interesting feature was the awarding of certificates to quite a number who had read the Bible through in the past year or had passed examinations showing a knowledge of the fundamental truths as shown from the Bible. Vocal selections were furnished by the Misses Leta and Leona Fisher, and James Moore of Glendale.

F. R. Smith gave an interesting talk on the general reasons for Bible study. This was followed by discussions by others who showed the power of Bible knowledge to keep from error, to promote missionary activity and to nourish the Christian life. Other readings were given by Mrs. Bates and Miss Mary Adams. The value of good reading which is furnished by the various reading courses was made prominent.

Work and vote for the Civic Center Bonds.

LARGEST NUMBER OF VOTERS TOMORROW

TWENTY-NINE MILLION VOTERS IN UNITED STATES; NINE MILLION WOMEN VOTERS

(Special Service to Glendale Evening News)

NEW YORK, Nov. 1.—The presidential campaign came to an end today with the majority party candidates in their home camps ready to await the verdict of the largest number of voters ever registered for an American election. Twenty-nine million ballots will be cast tomorrow if all voters go to the polls. Of these 9,000,000 will be new women voters and constitute the "unknown quantity" in the election.

If the women voters divide along party lines the Republicans are confident of victory. However, if the women are divided by the Democratic appeal for votes for the League of Nations on the ground that it will keep America out of war, the result may surprise the experts who are figuring on a Republican landslide.

The former Labor Party expected to capture several western states, which might throw the election into the House of Representatives.

TUESDAY'S ELECTION RESULTS UNCERTAIN

(Special Service to Glendale Evening News)

SAN FRANCISCO, Nov. 1.—No one—not even the weather prophets—were today agreed on tomorrow's election. While government forecasts predict fair weather, Father Ricard of Santa Clara University predicted that a storm will break tomorrow. His prediction is based on sun spots which have made their appearance, he said.

The Republican leaders predicted they will sweep every state in the country and Pacific Coast district except Arizona and Nevada. These two were listed as "doubtful."

Democratic leaders said Cox would carry every coast state except California, Oregon and Washington, these three being listed as "uncertain."

GOVERNOR COX ENDS CAMPAIGN TONIGHT

(Special Service to Glendale Evening News)

DAYTON, O., Nov. 1.—Governor Cox, determined to fight until the last minute, will end the greatest stump campaign ever made by a presidential candidate with a speech in Toledo tonight. It will end about one hour before midnight ushers in the election day. Although realizing he was forced to start his campaign against big odds, Cox was today confident of victory.

The governor has traveled approximately 21,000 miles during his campaign. It was estimated he made 480 speeches and has spoken to 2,000,000 people.

HARDING WORKS FOR REPUBLICAN SENATE

MARION, O., Nov. 1.—Confident of his own election tomorrow, Senator Harding today turned aside to assist in the election of a Republican senate, sending out telegrams urging the election of Republican senatorial candidates.

VOTE FOR CIVIC CENTER A CIVIC PROJECT

GLENDALE, a city of approximately 20,000 inhabitants, a city of which, in innumerable ways, we are most justly proud, is today confronting a problem which must be solved. This problem has to do most especially with the welfare of our young men and incidentally the general good of the community.

The problem we are confronting is how to successfully meet the urgent demand for a meeting place or places where both young and old may associate and enjoy such wholesome recreation and games as they may choose, among those available.

As it now is, the young man's spare moments are either spent on the street corners or miles away in some other town where he finds not only the wholesome amusements we should provide for him here, but many other things which he should not come in contact with anywhere.

The City Council in an effort to solve this problem in such a manner as to receive the hearty support of the greatest number of our citizens has called an election to vote Bonds in the sum of \$100,000 and has appointed the undersigned committee to present a general outline of the proposition to the people so that they may take a citizen's interest in the undertaking and vote understandingly.

The application of the Bond issue will be twofold. A small part is intended to be used for a swimming pool, etc., at the new Park.

We will, however, deal only with the main object of the Bond issue; that of securing the nucleus of the beginning of a Civic Center proposition.

The intention is to secure a piece of property centrally located upon which a building will be constructed with provisions not only for bowling alleys, billiard and pool tables, but a public reading room, ladies' rest room, City information bureau and comfort stations. In addition to these features such others may be added as space will permit.

The reason for central location is obvious, both from a standpoint of usefulness and eventual economy. A building properly situated and built with an eye to future adaptability for other purposes will prove a good investment for the City when the day arrives for a Civic Center on a larger scale.

It is believed the enterprise can be made practically self supporting while, at the same time, fixing very moderate prices for games.

The project is feasible, the object is worthy, the demand is urgent and the people of Glendale should see to it that the Bonds carry by a large majority at the election, Tuesday, November 2nd.

HOUSEWARMING

DR. AND MRS. YOUNG HOLD FIRST BIG AFFAIR IN BALLROOM OF NEW HOME

One of the prettiest and most elaborate functions of the Halloween season was the dance given by Dr. and Mrs. T. C. Young to dedicate the ballroom of their beautiful new home at 400 North Kenwood street. The usual Halloween decorations were in evidence, including some unusual features. The guests were ushered into rooms lit only with the weird glow of lights emanating from grinning skulls and with all the usual ghostly accompaniment of horror.

The entire basement of the new home is given over to a spacious ballroom harmoniously finished with paneled walls and a frieze of paintings which represent scenes which the Doctor, who is a famous hunter, has traversed in search of game. Mounted deer heads at intervals ornament the frieze. At one end of the ballroom a huge fireplace gives an air of cheer and an alcove at the other end is lined with bookcases and furnished with a divan. In the center of the room a mirrored column is surrounded with a circular leather seat. Elaborate Halloween decorations were used here; jack-o-lanterns hung from the ceiling, the corners were banked with cornstalks, one of the air shafts outside the windows was treated in the same way and lit with jack-o-lanterns. At the opposite end of the room a skeleton giving forth a phosphorescent light could be seen outside the window while an invisible electric fan kept a swarm of black bats moving about him, and brought forth many shrieks from the fair dancers.

In this environment a happy company of forty congenial friends enjoyed the hours of Halloween dancing to the music of a Pasadena orchestra, and partaking of Halloween refreshments which were lavishly set forth on tables at the foot of the staircase.

Dr. and Mrs. Young's new home is one of the most handsome and convenient bungalow homes in Glendale, and the furnishings in all the rooms are remarkably harmonious and beautiful. The long living room and sun room are furnished with mahogany and the plum color of the hangings and rugs harmonizes with the velvet upholstery of the divan and chairs. The dining room is beautifully furnished and opens upon an east veranda through French doors and in the china closet as well as all closets throughout the house lights are flashed on when the door is opened. A cedar closet is a feature that is the envy of all housewives.

In the guest room a striking and beautiful color scheme of gray and purple is used, appearing in the velvet rugs and in the hangings. The other bedroom and two dressing rooms are finished and furnished in ivory with a note of pink in the wall decorations and hangings. The bathroom and kitchen are in white enamel and fitted with almost unheard of conveniences, including an electric range. The breakfast room is in ivory with a color scheme of pale blue and ivory. The house is heated throughout with electric wall heaters all controlled from a central switch. The spacious garage contains ample drawers and shelves to hold all of the doctor's many trophies of the hunt. The house is of hollow tile construction, of colonial design, plastered and painted white and is a handsome addition to the neighborhood.

For the Bond Issue

To demonstrate their interest in the bond issue for the civic center, and to intensify the interest of the rest of us, the children of the Intermediate school will hold a parade after school hours this afternoon, probably about 4:30 o'clock.

The line of march will be south on Kenwood from the school, west on Broadway to Brand Boulevard, south on Broadway to Colorado, north on Brand to Broadway, west on Broadway to Orange, east on Broadway to Brand Boulevard, where they will give a program of singing and school yells. They will then march north on Brand to Wilson, where they will disband.

Banners and slogans will be features of the parade and the young people will conduct the affair with their usual earnestness and vim.

The person who discovers he is wrong before he begins to lose money should consider himself fortunate.

Vote for the Bonds.

JAPANESE WEDDING

GLENDALE GROOM AND SAN FRANCISCO BRIDE MARRIED YESTERDAY

There was a most elaborate Japanese wedding Sunday afternoon in the Buddhist Temple, 323 Jackson street, Los Angeles, in which the principals were Hiroshi Funatsu of Glendale and Miss Seiko Kodamo of San Francisco. The temple was elaborately decorated with festoons of greenery and bouquets of yellow and white chrysanthemums. The groom and best man entered on the right accompanied by the groom's father and mother and a friend and wife. On the left came a friend of the bride's father and his wife, then two flower girls in white, followed by the bride and her go-between. The bride was gorgeously arrayed in white satin, pearl trimmed, with a lace overskirt, and wore a long veil. Two train bearers followed her closely. There were five maids and two ushers. Three Buddhist priests officiated, one of them performing the ring ceremony, the others chanting. A reception was then held in a hall next door, attended by 250 guests, who partook of elaborate refreshments served in lacquered trays and dishes. Then there were flowery talks by some of the guests on the many virtues of the bride and groom. The latter is a son of T. Funatsu, a fruit and vegetable merchant on West Los Feliz Road. The bride's father owned a string of hotels in San Francisco, but recently sold them and will go to Japan to end his days. The bridal couple went to San Francisco with him and will enjoy their honeymoon there, remaining about two weeks, then will return to Glendale to live.

Vote for Van de Water

By electing Van de Water to Congress from the Ninth Congressional District there is a fighting chance to get postoffice service conditions improved in Glendale, either by the establishing of an independent postoffice or by a radical change in the manner of supervision by the Los Angeles postmaster. The present Congressman has not been able to wield any influence over the "powers that be," or has been able to get the co-operation of his fellow congressmen in voting the necessary appropriation for the installation of an independent postoffice in Glendale.

As conditions are now we are up against a stone wall and are unable to make any headway whatever.

Only one delivery window open to serve the people in the sale of stamps, money orders, parcel post, and the general delivery of mail.

Our local mail being sent to Los Angeles for classification and cancellation of stamps is an insufferable burden upon the patrons of the local postoffice.

The Evening News is proud of the rapid growth of Glendale and of the enterprise shown by loyal citizens, but is thrice ashamed of the deplorable condition of the branch postoffice building. A vote for Van de Water for Congress promises sure relief in the near future.

FROM CHICAGO

THOS. PHILP RETURNS TO GLENDALE BY AUTO, PROBABLY TO STAY

Thos. V. Philp, son of Mr. and Mrs. V. E. Philp of 221 North Orange street, is spending the winter with his parents after a two years' stay in Chicago. The trip to Glendale was made in a Ford roadster having a specially-built body, and fully equipped for camping en route. While in Chicago Mr. Philp had charge of the garage of the Chapell Wholesale Ice Cream Co.

It will be remembered that about three years ago Mr. Philp and another young man made the trip to Chicago in "The Bluebird," a roadster which had been specially equipped for the long trip. After being in Chicago a short time Mr. Philp entered the government service and was stationed at Kelly Field, San Antonio, Texas, for about a year, after which time he visited his parents in Glendale and then returned to Chicago.

Mr. Philp has not decided whether he will return again to Chicago or make Glendale his permanent home.

Vote Early Tomorrow

Get to the polls early tomorrow and run no risk of having to stand in line late in the day. Avoid being a thirteenth hour voter. Show your interest in the election by casting an early vote. Polls open at 6 a. m. and close at 7 p. m.

ANTI-SALOON LEAGUE PRAISES RANDALL'S RECORD

"In the Ninth Congressional District, Hon. Charles H. Randall is opposed by C. F. Van de Water. Both are dry. Mr. Randall's congressional record on this question has been superb, a national benefaction and worthy of the gratitude of his constituents."—From statement of Anti-Saloon League.—Adv. 476

VAN DE WATER APPROVED BY ANTI-SALOON LEAGUE

The Anti-Saloon League officially announces that both candidates for Congress in the 9th District are dry, and "each individual will vote as he or she pleases." Neither Randall nor Van de Water are endorsed, but the statement closes in this language: "Mr. Van de Water has a flawless record also both locally and officially as a dry worker and advocate." This frank statement on the part of the Anti-Saloon League should convince the most ardent dry Republican that it is his or her duty to vote for the Republican nominee, Mr. Charles F. Van de Water for Congress.—Adv. 476

RETURN RANDALL TO CONGRESS

Not only dry, but experienced. An experienced chauffeur, bank clerk or manager is preferred to inexperienced men. Why not apply this safe rule in selecting a Congressman? Return Randall. "He knows the business of a Congressman." See display ad elsewhere.

Ask Justice for Japanese

To the Voters of Glendale, Greeting:

We, the undersigned, who are deeply interested in the Japanese, who are in this country under Treaty Rights, respectfully and earnestly request you to vote "No" at the coming election on Amendment No. 1, said Amendment being entitled, "The Alien Land Bill," the object being to prohibit the Japanese from leasing land. We feel sure that such a measure, if enacted, will not only complicate the relations between Japan and the United States, but will prove to be a very serious handicap to the Japanese now living in the United States under Treaty Rights. All such problems must be settled by the National Government at Washington and not by any one or more States.

As many of the Japanese have wives and children, they will be greatly inconvenienced, as they will not be able to make a living, and thus properly care for their loved ones. And we believe such a drastic measure will not only inflict a serious injury upon the Japanese, but upon Americans themselves; for they are largely dependent upon the Japanese for their vegetables and fruits.

Therefore, we bespeak for these our brothers and sisters, and their children, of "Japanese descent," clear-minded consideration and Christian sympathy. So please vote "No" on Amendment No. 1, both for the welfare and honor of Japanese and Americans. The Japanese do not object so much to restriction and regulation of immigration, but to discrimination among Aliens living in this country—all under Treaty Rights.

We have prepared this circular at the request of the Japanese Christians in Glendale and their fellow countrymen.

IF YOU BELIEVE IN FAIR PLAY

VOTE "NO" ON NO. 8

It contains a "joker." It very cleverly provides that Osteopaths may have in their possession a hypodermic syringe, but in its later provisions excludes them from those who may purchase local anaesthetics, thus taking away a right they have had since the first law regulating their practice was passed nineteen years ago. This right has not been misused; no Osteopath has ever been found guilty of "peddling dope."

Amendment No. 8 is but one step in the campaign of the medical trust to establish state medicine. If you believe in the principle of the square deal and if you want to retain the right to choose your own physician, vote NO on No. 8.

CALIFORNIA
OSTEOPATHIC ASSOCIATION

Think Twice

On your November ballot is an unjust law. It is Initiative No. 1 known as the Alien Land Law.

It aims to dispossess a helpless minority of aliens industriously tilling California's soil.

The State Board of Control reports that Japanese cultivated 458,056 acres last year. California has an area of 99,617,280 acres of which about 28,000,000 is farm land.

Of this vast farm land only 1.6 per cent is cultivated by Japanese. Upon this 1.6 per cent they produce 13 per cent of California's total food output.

Their produce is valued at \$67,000,000, of which 35 per cent is paid land owners as rentals and 45 per cent to labor as wages. The balance of 20 per cent is the reward for Japanese tenants and contractors.

The Japanese have taken up much of the worst land and made it fertile, thus helping to reduce the cost of food for the city worker.

With effective restriction of Japanese immigration now being considered at Washington, there need be no fear that the small Japanese population now here will ever become a dominating element.

The present Japanese population is only 2.2 per cent of the total. The highest Japanese birth rate is only 7.4 per cent of the whole as against 90.8 per cent of American births.

Within a few years Japanese births will become even less, because [1] immigrants, irrespective of race, have fewer children after the first generation; [2] the average age of Japanese male adults now here is about 40; [3] the abolition of "picture marriages" will make it more difficult for Japanese to marry; [4] the arrivals of Japanese will decrease as the result of present diplomatic negotiations.

The Japanese have long since ceased to compete with American labor, but this initiative, if passed, will drive them from the land and compel them to compete with American Labor in the cities, seriously cutting food production.

Labor's interest in this question is defined in the following recommendations by the Stockton Labor Council and Building Trades Council, and the Sacramento Federated Trades Council; "[1] absolute restriction of all alien immigration; [2] no fight to be made upon any person or persons who are legal residents of the United States; [3] organize all workers who are capable of taking a union man's job; [4] we do not favor the removal of the Oriental from land to the industries."

According to the 1920 census, population of our cities in the last decade increased 25.2 per cent, while the population of farm territories increased only 3.2 per cent.

Yet this Alien Land Law seeks to drive the natural farmers from the soil, condemn into idleness 400,000 acres of land now highly productive, and decrease California's annual food production by \$67,000,000.

The Japanese is not the kind of an immigrant who comes here intending to "make a stake" and return to his own country. He is here to take his part in the economic life of the state, honorably and industriously, paying taxes, and helping to support our social institutions, our roads, our schools and local governments.

Our sense of decency and fairness enjoins us to deal justly with these Japanese, insisting, at the same time, through the Federal Government upon the prevention of further influx of oriental immigration.

Vote NO on Initiative No. 1 on November 2.

Personals

Voters of Glendale, settle for all time the question of amusements and recreation for the young people of Glendale by voting for the civic center bonds at the election tomorrow.

Miss Margaret McOmber, 1530 E. Broadway, who has been accountant for the J. A. Newton Elec. Co. for several years past, has accepted a position as book-keeper for the Torrence Sales Co. at San Francisco.

The Nimble Finger Club, composed mainly of members of Mary Jane Gillette Tent, Daughters of Veterans, will spend tomorrow evening with Miss Ruth Spafford, 119 North Central avenue, on work for the coming bazaar.

Mrs. Alice Jackson, Southern California secretary of the C. W. B. M., arrived home last week from an extended visit in London, Ky., her old home, and in St. Louis, where she attended the national convention of Christian churches.

Last Saturday evening Alice Woodbury of 315 West Cerritos avenue gave a Halloween party to a few of her school friends. They were entertained with games, dancing and refreshments. Those present were Misses Susie Kohl, Ethel Burke, Virginia Brecht, Dorothy Van Osdoll and Mildred Fischer.

G. L. Walker of 517 North Kenwood was driving south on Maryland avenue yesterday when at a crossing his machine was run into by a Saxon driven by Mrs. T. B. MacLinn of 5603 Monte Vista Ave., Los Angeles. The body of the car, a Paige, was crushed in, front fender torn off and running board smashed. The Saxon had a front wheel and fender broken.

T. R. Whiting of Room 19, Central Hotel, was accompanying a lady friend to her home at 1611 South Glendale avenue last evening and at Eulalia three men in a Cadillac held them up and robbed Mr. Whiting of his watch and chain, bank book and \$20 in currency, then hurried away. Mr. Whiting was forced to stand with his back to the machine, so he could not see the number.

The zoning committee met Friday afternoon in Verdugo Woodlands with the improvement association recently organized in that section. Chas. L. Chandler being chairman, to get their views on zoning plans. It is desired by the residents to make this strictly a residential section, with possibly one small business zone. The improvement association is to perfect its plans and meet with the zoning committee Wednesday afternoon.

Harry Moore of the Oakland Garage towed in Saturday afternoon for repairs a badly smashed machine which had been wrecked on Garvanza hill a few miles east. It was run into that morning by a yellow car which was coming down the hill at high speed. The entire rear end of the machine was smashed to bits and the owner and driver, Elmer Johnson, of 1474 La Prada Park, Los Angeles, was badly injured, but a man riding with him escaped unhurt.

Death of Miss True

Miss Anna C. True, for twenty years private secretary to John Jacob Astor, passed out of this life on Tuesday, October 26th, at Mrs. Anderson's private hospital, 1125 East California avenue, after an illness of several months.

Miss True was a native of New York and had lived three years beyond the allotted three score and ten. She was a woman of rare intelligence and remarkable character, her outstanding characteristics being absolute trustworthiness, devotion to duty, unselfish consideration for others and a cheerful outlook on life. These noble qualities won her the confidence and esteem of her employers and the respect and love of her associates.

Funeral services will be held at the L. G. Seavern Undertaking Parlor, and the body will be laid to rest in Rosedale cemetery, Los Angeles.

IF YOU BELIEVE IN FAIR PLAY

VOTE "NO" ON NO. 8

It contains a "joker." It very cleverly provides that Osteopaths may have in their possession a hypodermic syringe, but in its later provisions excludes them from those who may purchase local anaesthetics, thus taking away a right they have had since the first law regulating their practice was passed nineteen years ago. This right has not been misused; no Osteopath has ever been found guilty of "peddling dope."

Amendment No. 8 is but one step in the campaign of the medical trust to establish state medicine. If you believe in the principle of the square deal and if you want to retain the right to choose your own physician, vote NO on No. 8.

REPUBLICAN VOTERS

REPUBLICAN CENTRAL COMMITTEE HAS ARRANGED FOR CONVEYANCES

It is imperative that every Republican voter shall cast his or her ballot tomorrow, so if you live some distance from your polling place, if your work is away from home but in easy auto distance, or if for any other reason you need a conveyance to take you to the polls to vote the Republican ticket, call up any of the following numbers and an auto will be promptly sent for you:

Glendale, 535, 114 East Broadway. Glendale 198-J, 106-A. E. Broadway.

Glendale 411, corner Los Feliz and Brand.

Glendale 679, 121 S. Brand. Glendale 130, 139 S. Brand.

By order of the Republican Central committee, W. E. Evans, chairman.

W. C. T. U. Entertained

The Glendale W. C. T. U. and their friends were delightfully entertained on Saturday evening by Mrs. O. S. Palmer, at her home, 1008 East Colorado street.

Witches, ghosts, black cats and goblins were used in the effective and elaborate decorations which Mrs. Palmer used to carry out the Halloween idea, which was further emphasized by the toothsome home-made doughnuts, pumpkin pies and coffee with which she regaled her 80 guests.

A delightful musical program was given by Misses Evangeline Quackenbush, Faith Tarling, Hazel Walters, Ruth Palmer and Elizabeth Mottern. Another much enjoyed feature of the evening's entertainment were the readings given by Miss Nellie Rowe.

Mrs. Marie Yeomans, county president of the W. C. T. U., gave a most interesting talk on the aims and the work of the organization.

SHE PROTESTS

Editor Glendale Evening News:

In your issue of Saturday, Rev. C. M. Crist, referring to Hon. Chas. H. Randall uses the following language: "The main difference in the alignment that has been found in my judgment is from the fact that one appears on the Democratic ticket, the other the Republican." Now, why cannot Mr. Crist play fair?

Congressman Randall is a "Party Prohibitionist;" his name appears on the Democratic ticket in precisely the same manner as Henry Z. Osborne of the Tenth District—furthermore, by reason of a statute passed by a Republican legislature, signed by a Republican Governor, opposed by Congressman Randall at the time of its enactment and repeated attempts to repeal it, still remains in force and effect by several Republican legislatures.

We of the Ninth Congressional District can justly be proud of living in the one spot of the United States who were so represented by the characteristic sticktoitiveness of Congressman Randall, that the 18th amendment is part of our constitution. Mr. Crist knows that the Meth-

odist Temperance Board has urged Mr. Randall's return to Congress. Why attempt to deceive anyone?

Where Are Your Valuables?

If they are in the Safety Deposit vault of the First National Bank of Glendale they are safe as it is possible to have them. Our vault is fireproof and is further protected by an electric burglar alarm.

We have recently received a new consignment of safety deposit boxes so that we are now able to accommodate you in this way.

Why should you keep your valuable papers, your heirlooms, jewelry and other valuables that can never be replaced, in your home, a prey to fire and burglars, when for so small an amount you can put them in a safe place?

You may have access to your box at any time during banking hours.

The Last Remnant of Sorcery

For ages sorcerers and magicians kept their secrets, their charms and enchantments to deceive the simple and credulous populace for their own advantage. But now, in these scientific days, most of such marvels are relegated to jugglers and sleight-of-hand performers, when our eyes are knowingly deceived for our amusement. We expect to see things come out of nothing; to see unbroken eggs come out of the beaten scarf; guinea pigs come out of the empty silk hat; ducks come quacking out of the empty box; silver dollars come out of the boy's ear or empty pocket.

But there is one piece of magic to which the world still adheres; it is still upheld by laws and courts.

That is the magic of the solid cash materializing from a vacant lot or tract of rubbish-covered land on which not a lick of work has been done since the purchase was made.

Our modern sorcerers do the trick and roll up thousands of dollars out of nothing and we only look with gaping mouths, amused and pleased to see the big roll of bills come from nothing. No question is asked. Ah! if we could all learn the trick! No more work for any body! Gilt letter signs on half the stores show that thousands are eager to do the magic trick. Clergymen abandon pulpits in the mad rush for unearned plunder. Nobody investigates. We have the money on us but sleep secure from indictment. This sorcery is never probed. For indeed what man can say: "Gim-me back that roll you raked off; it is mine." True, but the community, ceasing to believe in magic, could rise and say: "That rake off is ours. We, altogether, by our coming and living and working here, created the demand for lands of the community which makes their rise in values. Before we came these prices were not. If we should go they would vanish. Your rake-offs do not come from nothing; they are merely the growing need for land coined into money. What you are taking belongs to us all. It is more than enough to pay all our public expenses. For lack of it we are fined for our houses, furniture, merchandise, crops, etc., strictly private property. Oh, come off with your magic of getting something from nothing. Take your chances with the rest of us who earn our money by work. We have been shown, and are on to your sorcery. We are going to vote for number 20 and against No. 4 got up to kill it."

NOTICE INVITING SEALED PROPOSALS

Pursuant to the provisions of the Improvement Act of 1911 and Resolution No. 1133 of the Board of Trustees of the City of Glendale, California, adopted the 27th day of October, 1920, directing this Notice, the undersigned invites and will receive at his office in the City Hall up to 7:30 p. m. of Thursday, the 18th day of November, 1920, Sealed proposals or bids for the following Improvement to be done according to plans and specifications adopted for said work, posted and on file to-wit:

First: That Maple Street between the easterly curb line of Glendale Avenue and the westerly line of Sycamore Canon Road, including all intersections of Streets and alleys, except those portions as are already graded to the official line and grade, be graded to the official grade heretofore established therefor, the same to be done in accordance with plans and cross-sections No. 381, Profiles Nos. 117 and 753 and Specifications for said work adopted by Resolution No. 1126 of the Board of Trustees of the City of Glendale and known as Specifications No. 34.

Second: That a cement sidewalk of the width of five (5) feet be constructed along each side of Maple Street from the easterly curb line of Glendale Avenue to the westerly line of Sycamore Canon Road, except where sidewalk is already constructed to the official line and grade and is in good condition. Said work to be done in accordance with plans and cross-section No. 381, Profiles Nos. 117 and 753 and Specifications for said work adopted by Resolution No. 1127 of the Board of Trustees of the City of Glendale and known as Specifications No. 31.

Third: That a cement curb of the class designated as Class "B" in the hereinafter referred to Specifications, be constructed along each side of the roadway of Maple Street from the easterly curb line of Glendale Avenue to the westerly line of Sycamore Canon Road, including all intersections of streets and alleys, except where said curbs have already been constructed to official line and grade and are in good condition. Said curbs shall be constructed in accordance with plans and cross-sections No. 381 and Profiles Nos. 117 and 753 and in accordance with Specifications for said work adopted by Resolution No. 1127 of the Board of Trustees of the City of Glendale and known as Specifications No. 31.

Fourth: That all the roadway of Maple Street between curb lines from the easterly curb line of Glendale Avenue to the westerly line of Sycamore Canon Road, including all intersections of streets and alleys be oiled and surfaced in accordance with plans and cross-sections No. 381, Profiles Nos. 117 and 753 and Specifications for said work adopted by Resolution No. 1126 of the Board of Trustees of the City of Glendale and known as Specifications No. 34.

SECTION 2: That said contemplated work or improvement in the opinion of said Board of Trustees is of more than local or ordinary public benefit and will affect and benefit the lands and district hereinafter described and said Board of Trustees hereby declares that the district in said City of Glendale benefited by said work or improvement and to be assessed to pay the costs and expenses thereof is all that portion of said City included within the following exterior boundary lines, to-wit:

Beginning at the southwest corner of Lot A of Tract No. 1790 as per map recorded in Book 20, Page 144 of Maps, Records of Los Angeles County, California; thence easterly along the southerly line of said Lot A to the southeasterly corner thereof; thence southerly in a direct line to a point on the easterly line of Granada Street one hundred and forty (140) feet southerly from the southerly line of Chestnut Street; thence easterly parallel with the southerly line of Chestnut Street to the westerly line of Lot 12 of the Byram-Patterson and Miller Subdivision as per map recorded in Book 39, Page 80, of Miscellaneous Records of aforesaid County; thence northerly along said westerly line of said Lot 12 to a point situated one hundred sixty-five (165) feet southerly from the northerly line of said Lot 12; thence easterly parallel with the northerly line of said Lot 12 to the westerly line of Adams Street; thence easterly in a direct line across Adams Street to a point on the easterly line of Adams Street one hundred and thirty-five (135) feet southerly from the southerly line of Chestnut Street; thence easterly parallel to the southerly line of Chestnut Street to the westerly line of Sycamore Canon Road; thence southerly along said westerly line to a point one hundred fifty-five (155) feet northerly from the southerly line of Lot 13 of said Byram-Patterson and Miller Subdivision; thence westerly parallel with said southerly line and its westerly prolongation to the westerly line of Lot 14 of aforesaid Byram-Patterson and Miller Subdivision; thence westerly to the southeasterly corner of Lot 25, Pinewood Terrace as per map recorded in Book 15, Page 45 of Maps, Records of aforesaid County; thence westerly along the southerly line of Lots 25 to 32, inclusive, of said Pinewood Terrace, and the westerly prolongation thereof to the easterly line of Granada Street; thence westerly in a direct line across Granada Street to the southeasterly corner of Lot 60 of the Glendale Garden Home Tract, as per map recorded in Book 11, Page 46, of Maps, Records of aforesaid County, thence westerly along the southerly lines of Lots 60 to 52, inclusive, of said Glendale Garden Home Tract, to the westerly line of said Lot 52; thence northerly along the westerly line of said Lot 52 to the southeasterly corner of Lot 51 of said Glendale Garden Home Tract; thence westerly along the southerly lines of Lots 51, 50, and 48, of said Glendale Garden Home Tract to the easterly line of Glendale Avenue; thence northerly

along said easterly line of Glendale Avenue to point of beginning. Excepting therefrom any portion of any public street or alley which may be included in the above described district. Reference is hereby made to Map Number 379 in which the assessment district referred to is shown within red colored border lines.

SECTION 3: The Board of Trustees of the City of Glendale determines that serial bonds shall be issued to represent assessments of Twenty-five (\$25.00) Dollars or over for the cost of said work or improvement; said serial bonds shall extend over a period ending nine (9) years from and after the second day of January next succeeding the date of said bonds, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January, every year after their date until the whole is paid; and the interest shall be payable semi-annually by coupon on the second days of January and July respectively of each year, at the rate of seven per cent. per annum on all sums unpaid until the whole of said principal and interest are paid. All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California designated as the "Improvement Act of 1911," approved April 7, 1911, and the amendments thereto.

Reference is hereby made to said Resolution of Intention No. 1128 for further particulars of said work.

Bidders must file with each proposal or bid a check payable to the City of Glendale, certified by a responsible bank, for an amount which shall not be less than ten per cent. of the aggregate of the proposal or a bond for said amount and so payable, signed by the bidder and two sureties, who shall justify before any officer competent to administer oaths, for double the said amount and over and above all statutory exemptions.

In bidding use blanks which will be furnished by the City Clerk upon application.

Dated November 1, 1920.
